**UNIFORM COMPLAINT PROCEDURES POLICY**

It is the policy of Community Collaborative Virtual School (“School”) to comply with applicable federal and state laws and regulations. The School is the local agency primarily responsible for compliance with federal and state laws and regulations governing educational programs. Pursuant to this policy, persons responsible for conducting investigations shall be knowledgeable about the laws and programs which they are assigned to investigate. This complaint procedure is adopted to provide a uniform system of complaint processing for the following types of complaints:

- (1) Complaints of unlawful discrimination, harassment, intimidation or bullying against any protected group, including actual or perceived discrimination, on the basis of the actual or perceived characteristics of age, ancestry, color, mental disability, physical disability, ethnic group identification, immigration status, gender expression, gender identity, gender, genetic information, nationality, national origin, race or ethnicity, religion, medical condition, marital status, sex, or sexual orientation, or on the basis of a person’s association with a person or group with one or more of these actual or perceived characteristics in any School program or activity; and
- (2) Complaints of violations of state or federal law and regulations governing the following programs including but not limited to: Career Technical and Technical Education and Career Technical and Technical Training Programs, Foster and Homeless Youth Services, Migrant Education Programs, limited English proficiency, and Special Education Programs.
- (3) A complaint may also be filed alleging that a pupil enrolled in a public school was required to pay a pupil fee for participation in an educational activity as those terms are defined below.
  - a. “Educational activity” means an activity offered by a school, school district, charter school or county office of education that constitutes an integral fundamental part of elementary and secondary education, including, but not limited to, curricular and extracurricular activities.
  - b. “Pupil fee” means a fee, deposit or other charge imposed on pupils, or a pupil’s parents or guardians, in violation of Section 49011 of the Education Code and Section 5 of Article IX of the California Constitution, which require educational activities to be provided free of charge to all pupils without regard to their families’ ability or willingness to pay fees or request special waivers, as provided for in *Hartzell v. Connell* (1984) 35 Cal.3d 899. A pupil fee includes, but is not limited to, all of the following:
    - i. A fee charged to a pupil as a condition for registering for school or classes, or as a condition for participation in a class or an extracurricular activity, regardless of whether the class or activity is elective or compulsory, or is for credit.
    - ii. A security deposit, or other payment, that a pupil is required to make to obtain a lock, locker, book, class apparatus, musical instrument, uniform or other materials or equipment.

**UNIFORM COMPLAINT PROCEDURES POLICY**

- iii. A purchase that a pupil is required to make to obtain materials, supplies, equipment or uniforms associated with an educational activity.
  - c. A pupil fees complaint may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance with laws relating to pupil fees.
  - d. If the School finds merit in a pupil fees complaint the School shall provide a remedy to all affected pupils, parents, and guardians that, where applicable, includes reasonable efforts by the School to ensure full reimbursement to all affected pupils, parents, and guardians, subject to procedures established through regulations adopted by the state board.
  - e. Nothing in this section shall be interpreted to prohibit solicitation of voluntary donations of funds or property, voluntary participation in fundraising activities, or school districts, school, and other entities from providing pupils prizes or other recognition for voluntarily participating in fundraising activities.
- (4) Complaints of noncompliance with the requirements governing the Local Control Funding Formula, Local Control and Accountability Plans or Sections 47606.5 and 47607.3 of the Education Code, as applicable.
  - (5) Complaints of noncompliance with the requirements of Education Code Section 222 regarding the rights of lactating pupils on a school campus. If the School finds merit in a complaint, or if the Chief Executive Officer or designee finds merit in an appeal, the School shall provide a remedy to the affected pupil.
  - (6) Complaints of noncompliance with the requirements of Education Code Section 48645.7 regarding the rights of juvenile court school pupils when they become entitled to a diploma. If the School finds merit in a complaint, or if the Chief Executive Officer and/or Program Director finds merit in an appeal, the School shall provide a remedy to the affected pupil.

The School acknowledges and respects every individual's rights to privacy. Unlawful discrimination, harassment, intimidation or bullying complaints shall be investigated in a manner that protects (to the greatest extent reasonably possible) the confidentiality of the parties and the integrity of the process. The School cannot guarantee anonymity of the complainant. This includes keeping the identity of the complainant confidential. However, the School will attempt to do so as appropriate. The School may find it necessary to disclose information regarding the complaint/complainant to the extent necessary to carry out the investigation or proceedings, as determined by the Human Resources manager or designee on a case-by-case basis.

The School prohibits any form of retaliation against any complainant in the complaint process, including but not limited to a complainant's filing of a complaint or the reporting of instances of

Should a complaint be filed against the Human Resources manager, the compliance officer for that case shall be the President of the School Board of Directors.

**Notifications**

The Human Resources manager, or designee shall annually provide written notification of the School's uniform complaint procedures to employees, students, parents and/or guardians, advisory committees, school officials and other interested parties.

The annual notice shall be in English, and when necessary, in the primary language, pursuant to section 48985 of the Education Code if fifteen (15) percent or more of the pupils enrolled in the School speak a single primary language other than English.

- (c) A statement identifying the responsible staff member, position, or unit designated to receive complaints.
- (d) A statement that the complainant has a right to appeal the School's decision to the California Department of Education by filing a written appeal within 15 days of receiving the School's decision.

**Procedures**

The following procedures shall be used to address all complaints which allege that the School has violated federal or state laws or regulations governing educational programs. Compliance officers shall maintain a record of each complaint and subsequent related actions.

All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

**Step 1: Filing of Complaint**

Any individual, public agency, or organization may file a written complaint of alleged noncompliance by the School.

A complaint alleging unlawful discrimination, harassment, intimidation or bullying shall be initiated no later than six (6) months from the date when the alleged unlawful discrimination, harassment, intimidation or bullying occurred, or six (6) months from the date when the complainant first obtained knowledge of the facts of the alleged unlawful discrimination, harassment, intimidation or bullying. A complaint may be filed by a person who alleges that they personally suffered unlawful discrimination, harassment, intimidation or bullying or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination, harassment, intimidation or bullying.

Pupil fee complaints shall be filed not later than one (1) year from the date the alleged violation occurred.

---

**UNIFORM COMPLAINT PROCEDURES POLICY**

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and date stamp.

If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, the School staff shall assist the complainant in the filing of the complaint.

**Step 2: Mediation**

Within three (3) days of receiving the complaint, the compliance officer may informally discuss with the complainant the possibility of using mediation. If the complainant agrees to mediation, the compliance officer shall make arrangements for this process.

Before initiating the mediation of an unlawful discrimination, harassment, intimidation or bullying complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the School's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time.

**Step 3: Investigation of Complaint**

The compliance officer is encouraged to hold an investigative meeting within five (5) days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or their representative to repeat the complaint orally.

The complainant and/or their representative shall have an opportunity to present the complaint and evidence or information leading to evidence to support the allegations in the complaint.

A complainant's refusal to provide the School's investigator with documents or other evidence related to the allegations in the complaint, or their failure or refusal to cooperate in the investigation or their engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation.

The School's refusal to provide the investigator with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

---

**UNIFORM COMPLAINT PROCEDURES POLICY****Step 4: Response**

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written report of the School's investigation and decision, as described in Step #5 below, within sixty (60) days of the School's receipt of the complaint.

**Step 5: Final Written Decision**

The School's decision shall be in writing and sent to the complainant. The School's decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

The decision shall include:

1. The findings of fact based on evidence gathered.
2. The conclusion(s) of law.
3. Disposition of the complaint.
4. Rationale for such disposition.
5. Corrective actions, if any are warranted.
6. Notice of the complainant's right to appeal the School's decision within fifteen (15) days to the California Department of Education and procedures to be followed for initiating such an appeal.
7. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, notice that the complainant must wait until sixty (60) days have elapsed from the filing of an appeal with the California Department of Education before pursuing civil law remedies.
8. For unlawful discrimination, harassment, intimidation or bullying complaints arising under federal law such complaint may be made at any time to the U.S. Department of Education, Office for Civil Rights.

If an employee is disciplined as a result of the complaint, the decision shall simply state that effective action was taken and that the employee was informed of the School's expectations. The report shall not give any further information as to the nature of the disciplinary action.

**Appeals to the California Department of Education (CDE)**

---

**UNIFORM COMPLAINT PROCEDURES POLICY**

If dissatisfied with the School's decision, the complainant may appeal in writing to the CDE within fifteen (15) days of receiving the School's decision. When appealing to the CDE, the complainant must specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of the School's decision.

Upon notification by the CDE that the complainant has appealed the School's decision, the Human Resources manager or designee shall forward the following documents to the CDE:

1. A copy of the original complaint.
2. A copy of the decision.
3. A summary of the nature and extent of the investigation conducted by the School, if not covered by the decision.
4. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by all parties and gathered by the investigator.
5. A report of any action taken to resolve the complaint.
6. A copy of the School's complaint procedures.
7. Other relevant information requested by the CDE.

The CDE may directly intervene in the complaint without waiting for action by the School when one of the conditions listed in Title 5, California Code of Regulations, Section 4650 exists, including cases in which the School has not taken action within sixty (60) days of the date the complaint was filed with the School.

**Civil Law Remedies**

A complainant may pursue available civil law remedies outside of the School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the School has appropriately, and in a timely manner, apprised the complainant of their right to file a complaint in accordance with 5 CCR 4622.
